

It's Spring at Thompson-Markward Hall

...and we have some news for you!

The Happy Hour Fundraiser is NEXT WEEK!

The TMH Happy Hour Fundraiser is right around the corner! (LOL - get it!?) at the 201 Bar on Tuesday, April 18th from 5:30 to 7:30PM. The 201 gives 10% of the sales from the event back to TMH's Annual Fund.

We will have several items raffled off throughout the event. We just received a donation of a collection of beautiful fused glass jewelry and will raffle off the four pieces pictured: three pendants and a pin. We also have a bottle of wine and a healthy and valuable "dental hygiene" basket that includes a high quality electric toothbrush and other dental goodies. Raffle drawings are at 6:15 and 7:15PM. Tickets are \$5 each, 3 for \$10 and 8 for \$20.

Non-TMH Friends (including guys!) are invited - so please help us spread the word!! Send an email to five of your friends. Share the [Facebook posting](#). Come thirsty and hopefully you will be surprised to find some of your old friends!

SEE YOU THERE!

Alumnae Engagement Survey

A small planning group of alumnae has met several times since the very successful brunch in February (see pictures below).

Through our discussions, we realized we NEED the input of many more alumnae before we finalize any additional plans for a network or events.

We developed a survey that will guide the most meaningful and effective engagement strategies for you and your TMH friends.

[Here is the link](#) which we will also post on the website and Facebook pages.

The Board of Trustees is participating in a three-year strategic planning retreat on Saturday, April 22, and any information you share will help them plan more effectively for the future.

With thanks in advance!

UPDATE: The Anniversary Brunch was quite successful! We hosted 21 guests and raised over \$400. After the brunch, a small group gathered in the Board Room to brainstorm about future events.

Don't just be part of TMH's
past, be part of the future!

Transition news:

Dear friends,

After an assessment and difficult decision-making process, the TMH Board of Trustees and I have reached a mutual decision to not renew my contract in July 2017. The Board appreciates my hard work and dedication to TMH and will continue to fully support me in my current role while a new Executive Director is selected.

One of the highlights of my time here has been to work with alumnae from across the decades and the country to launch the network.

I will be at the Happy Hour and plan to continue to work with the Alumnae Committee until my departure. The new Executive Director will rely on your continued participation in building the Alumnae Network.

Thank you and take good care,

Cathi Coridan, Executive Director
